

# THE TEAL PUMPKIN PROJECT

Help support kids with food allergies this Halloween!

1. Buy low-cost non-food treats to hand out on Halloween (pencils, stickers, etc.)
2. Paint a pumpkin teal.
3. Place it by your door along with a sign indicating you have non-food items available.

Visit [blog.foodallergy.org](http://blog.foodallergy.org) to download a sign and learn more.
